

Nuclear Opportunities Workshop

July 30-31, 2024
Hilton Knoxville Airport

LEARN. PROMOTE. NETWORK. CONNECT.

LEARN

NOW offers nuclear industry professionals a place to learn about business opportunities, industry developments, supply chain needs, and advancements in research and technologies.

NETWORK & CONNECT

Attend NOW to connect with next generation technology leaders, utilities/power providers, and Department of Energy (DOE) contractors, along with students, interns, and post-doctoral candidates who are interested in nuclear industry careers.

PROMOTE

Take advantage of opportunities to promote your company by supporting and exhibiting NOW at this two day conference held at the Hilton Knoxville Airport.
