

DOE/NUCLEAR WORKFORCE READINESS TRAINING

Discover Opportunities. Connect your skills. Build your future.

Napakiak E&C (NEC) is proud to partner with Tech4AllTN and Tennessee College of Applied Technology (TCAT) to offer an engaging, three-hour, in-person training and information session.

Participants will explore career opportunities, learn about employers, and discover educational pathways supporting U.S. Department of Energy (DOE) missions and the growing nuclear industry in Oak Ridge.

WHAT PARTICIPANTS WILL DISCOVER

EXPLORE THE OPPORTUNITIES

Skilled trades, construction, manufacturing, technology, safety, administration and more.

CONNECT EXISTING SKILLS

See how training, education and experience translate into different careers.

FIND A WAY IN

Understand contractor, subcontractor, supplier, union and apprenticeship pathways.

GO BEHIND THE GATE

Learn about site access, schedules, security, safety culture and workplace expectations.

PREPARE TO SUCCEED

Build awareness of reliability, communication, digital skills and professionalism.

THINK BEYOND THE FIRST JOB

Explore continuing education, credentials, career mobility and advancement.

3 HOURS | INSTRUCTOR-LED | CAREER ACTION PLAN | COMPLETION CERTIFICATE

INDUSTRY EXPERIENCE. REAL-WORLD INSIGHT.

Learn from decades of real-world experience. Instructor Bill Stanley brings over 40 years of DOE knowledge and nuclear workforce experience, offering practical insights to help participants discover opportunities and envision their future in the industry.

HOST THE PROGRAM

Schools, training providers, workforce organizations and community groups: bring this session to your students or participants aged 18 and over.

Contact us about hosting.

ATTEND THE PROGRAM

Students, job seekers and career changers (18+): explore careers, connect your skills and discover pathways into DOE and nuclear work.

Ask about upcoming sessions.

SUPPORT THE PROGRAM

Businesses involved in the New Nuclear Renaissance: share your expertise as a guest speaker on your work, careers and skills.

Contact us about being a guest speaker.
