RICK BENSON
NUCLEAR FUTURES SCHOLARSHIP

Supporting Future Nuclear Innovators

Enrichment federal credit union

Enriching Lives. Empowering Futures.

The **Rick Benson Nuclear Futures Scholarship,** presented by **Enrichment Federal Credit Union,** honors a legacy rooted in innovation, beginning with the scientific breakthroughs of the Manhattan Project and continuing through decades of progress in nuclear innovation.

With deep ties to a community that has driven nuclear advancement for decades, Enrichment FCU proudly invests in the leaders who will shape tomorrow's nuclear innovations.

SCHOLARSHIP PURPOSE

This scholarship is designed to support students pursuing careers that contribute to the advancement of nuclear innovation and critical technologies that strengthen our future.

- Engineering
- Nuclear Science
- Nuclear Energy
- Physics
- Mathematics
- Computer Science
- Other STEM-related fields that support nuclear innovation

HONORING A LEGACY OF INNOVATION

The Oak Ridge community has long been recognized as a center of scientific achievement and technological advancement. The Rick Benson Nuclear Futures Scholarship celebrates that heritage while encouraging students to pursue careers that will drive innovation, energy solutions, research, and scientific breakthroughs for generations to come.

WHY IT MATTERS

Today's students are tomorrow's engineers, scientists, researchers, and innovators. By investing in education, we help build a stronger workforce, a stronger community, and a stronger future for the industries that continue to shape our region and our nation.

ABOUT ENRICHMENT FEDERAL CREDIT UNION

For more than 75 years, Enrichment Federal Credit Union has been committed to enriching lives and empowering futures.

Through educational initiatives, community partnerships, and scholarship opportunities, we proudly invest in the people and ideas that move our communities forward.
