Johnson Service Group Named TVA's 2025 Valley Supplier of the Year

Knoxville, TN — Tuesday, October 14, 2025 — Johnson Service Group, Inc. (JSG), a leading North American staffing and workforce solutions firm, has been recognized by the Tennessee Valley Authority (TVA) as its 2025 Valley Supplier of the Year.

This recognition highlights JSG's long-standing partnership with TVA and the company's commitment to delivering skilled talent that supports essential energy operations across the region. The award reflects JSG's excellence in service, responsiveness, and dedication to safety and quality within the utilities sector.

JSG has partnered with TVA for more than a decade, providing engineering, technical, and professional personnel to projects that strengthen the TVA's energy infrastructure. JSG's Knoxville-based team has been instrumental in maintaining close coordination with TVA and ensuring timely support for ongoing projects. The company's flexible workforce solutions and deep industry expertise have helped TVA in achieving its mission of delivering reliable, affordable, and sustainable energy to millions of customers.

Vice President Greg Howard and Regional Vice President Brian Greene attended TVA's annual supplier recognition event to accept the award, which honors suppliers who demonstrate outstanding performance, innovation, and collaboration.
