

## STUDENTS-INTERNS-POSTDOCS

You're invited to the 7<sup>th</sup> Annual  
**NOW Conference**

NOW is ETEC's Nuclear Opportunities Workshop, **Tennessee's premier nuclear industry conference** focused on all things nuclear: fission, fusion, isotopes, environmental management, AI in nuclear, workforce development, and more.

With **over 600 attendees** expected, NOW 2025 is your chance to **unlock exciting career opportunities** in the nuclear industry. Connect with **top professionals**, discover **new pathways** for your future, and gain valuable insights into the **latest advancements** in nuclear energy—all for free! (limited availability, act now!)

This is the perfect event to expand your network and take the next step in your professional journey.

## TUES. & WED. JULY 22-23, 2025

Expand your network, learn about the latest in nuclear energy, and open doors to potential career opportunities.

### Reasons to Attend:

- **Network** with key industry leaders, including DOE employees, ETEC member companies, and nuclear professionals.
- **50+ exhibitors** showcasing cutting-edge technologies and career opportunities.
- **Flexible attendance:** Attend the sessions that interest you most, come and go as needed to fit your schedule.
- **Free professional headshot** with your registration to update your professional profile.
- **Atomic After Party Reception** on July 22 for a fun, relaxed networking opportunity with fellow attendees. (I.D. Required for Bar)
